

# Member-Buy-a-Brick Campaign

**Exclusive Contribution Opportunity for Current Members of the  
National High School Rodeo Association, Inc. Only**

*“Helping the NHSRA preserve a proud past and secure a strong future.”*

**Building the NHSRA a permanent home -  
one step at a time!**

**Step #3 Purchase the Bricks** – Once the land is acquired and the foundation is in place, you need bricks to finish the construction. Today, the NHSRA is built one member at a time, the same way we will build our home, one brick at a time. This level of contributing is open to current NHSRA and NHSRA WD members only.

**Contributors will be listed in a prominent place within the new facility as well as in various publications throughout the fund raising and construction process.**

Yes, as a current member, I want to help the NHSRA realize its dream of building a permanent office complex and high school rodeo museum and hall of fame.

I wish to purchase \_\_\_\_\_ bricks at \$25 each for a total contribution of \$ \_\_\_\_\_
